

# Some of The Ways You Can Help

Ways folks can assist with Houston Cares instead of fostering, or in addition to fostering

## Transportation

Assist with transport needs for vet visits, adoption events, etc.

## Adoption Events

Assist with adoption events occurring every Saturday at Petsmart at 5415 West Loop S from 11 – 2.

## TNR Feeder/Trapper/Recover

Feeding of TNR cat colonies, assist with trapping, and/or assist with recovery.

## Article Writing

Write or gather animal- and CARE-related articles.

## Civic Action Team

Work on addressing changes in the local, city, and state regulations and laws.

## Fundraising/Events

Assist with fundraising and/or social events.

## Social Media

Monitor social media sites for ways Westbury CARE can assist with dogs in need.

## Foster Bio-Updater

Updates WestburyCARE website for bios that need to be updated.

## Grant Writing

Seek and apply to grant opportunities.

## Development

Identify and implement sponsorship and donation programs.

## Computer/Data Entry

This job can be done from anywhere with computer access and may include inputting vet records, adoption information, or sending emails.

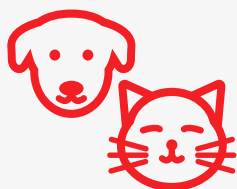

## Street Team

Outreach and education to help raise awareness in the community about animal related issues in Houston.

# Assist Houston Cares: **Fostering Saves Multiple Lives**

## **Why Foster?**

- » To save the pet's life.
- » To add lots of love and fun into your life and home.
- » To help end the cycle of unwanted dogs and puppies on the streets.
- » To keep more dogs out of the shelters and off the euthanasia list.

## **How will CARE help me if I become a Foster Home?**

- » All foster pets will be provided with full medical care at no cost to foster families.
- » CARE provides food, pet beds, toys, crates, leashes, collars, training, etc. as needed to make fostering easier.
- » CARE advertises the pets in their program and provides opportunities for fosters to be seen at adoption sites.
- » You can tell us what works for you—only dogs of a certain size, or gender, etc. We want fostering to be a positive experience and will help find a dog that matches your family's needs.

## **What You Need to Do?**

- » Provide a safe and loving indoor environment for the dog.
- » Have fun and feel good about saving the dog's life!!
- » Communicate needs to WestburyCARE.
